PERIOSCIENCES AND BOSTON DENTIST TEAM UP TO PROVIDE DENTAL SCREENING AND ANTIOXIDANT ORAL CARE PRODUCTS AT BOSTON RED SOX SPRING TRAINING CAMP

"Although prevention is the best strategy, for many, proper oral hygiene is the first step," Spitz adds. "I use the PerioSciences protocol for my patients. As PerioSciences' antioxidant technology is on the leading edge of advanced oral health care, I am excited that we have the ability to provide the team with the complete oral care regime."
